Medical Infrastructure

536. SHRI LALITBHAI MEHTA:
SHRIMATI SAVITA SHARDA:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the number of medical colleges, pharmacy colleges, doctors, nurses, chemists and hospitals in the country, State-wise as on 31st December, 2004;

(b) the number of hospital beds which are available in the country, State-wise and the doctor-patient ratio in the country, State-wise;

(c) whether it is a fact that nearly 15 crores citizens do not have any access to hospitals and doctors, Government or private in the country;

(d) the percentage of GDP spent on healthcare in the country, State-wise; and

(e) by when the primary healthcare is to be made available to every citizen?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) and (b) State-wise number of medical colleges is given in the enclosed Statement-I (*See* below). Further, as per latest data compiled by Central Bureau of Health Intelligence, number of pharmacy colleges, doctors, nurses, hospitals and hospital beds in the country are enclosed as Statement-II, III, IV and V respectively (*See* below). The data regarding number of chemists and doctor-patient ratio in the country, State-wise, is not maintained Centrally.

(c) There is no such data available with the Government.

(d) As per the Planning Commission, public spending on health is currently 0.9% of GDP. However, the State-wise break up of public expenditure as percentage of GDP is not available.

(e) Health being State subject it is for the State Government concerned to provide healthcare facilities to the people as per their needs.

Statement-I

NOTES:—

1. Rural/Urban distribution are not strictly comparable over years as standard classification procedures are not followed by States/UTs.

2. Hospitals figures (prior to1997) are generally inclusive of CHCs; from 1997 excluding CHCs'.

3. Addition of Rural and Urban Hospitals may not add up to total Hospitals due to non-reporting of break up by few States/UTs.

A Reduction from previous year is due to exclusion of CHCs and revision of the figures.

B Rural/Urban breakup is not reported.

C Reduction from the previous year due to reduction of private hospitals figures.

D Total hospital reduced from 2001 due to exclusion of CHCs and non reporting.

— Not reported.
